Subject: Democrats are trying to steal the election

The people of Florida have spoken. Governor Rick Scott has defeated Bill Nelson and will be the next US Senator from Florida.

But Bill Nelson and his liberal allies won't accept that. They've brought in Hillary Clinton's lawyer, and are attempting to steal this seat so they can further obstruct our America First agenda.

We've seen this before. It's exactly what they did after I won in 2016, and reports of election fraud in Broward and Palm Beach counties are unfortunately nothing new. We cannot let the radical left steal this seat from the people of Florida.

We need to come together and support Rick. [I'm asking Republicans from all over the country to chip in to his recount fund to make sure he has all the resources he needs](#) to make sure all votes in Florida are fairly counted.

With Rick at my side, we can accomplish great things in Washington. We can keep up the work we've done growing our economy, secure our borders, and make sure our military is stronger than ever.

Sincerely,

Friend,

When it comes to defending liberty and standing up against the D.C. swamp, we have no bolder advocate in the United States Senate than Ted Cruz.

That's why the liberals and radical-left are targeting Texas with all they've got... and that's why I went down to the Lone Star State to campaign with Ted recently!

And I have to tell you, the excitement on the ground is electric.

[Will you make an EMERGENCY contribution today toward the fight in Texas?](#)

My father and the Vice President support Ted Cruz in this race 110%, because he is the **relentless conservative warrior** they need working by their side in the U.S. Senate.

**[I've Got Ted's Back; Show Him You Have His Back Too! TAP OR

I've got Ted's back because I KNOW what he's made of and what he's accomplished for Texas and the nation! I'm proud to call him a friend.

If you have Ted's back too, please make an urgently needed contribution of \$5, \$50, \$500, or any other amount to help Ted DEFEAT liberal "poster boy" Beto O'Rourke!

Friend, think for just a moment about all that my father and Ted have accomplished in recent years with Republican majorities in the Senate and House of Representatives.

It is remarkable - and voters aren't going to hear about it in the FAKE NEWS liberal media!

- 4 million jobs created & 49-year LOW unemployment;
- A historic package of tax cuts - one of the largest in American history;
- Elimination of a record number of job-killing regulations and the Obamacare individual mandate;
- \$6 billion in NEW funding to fight the opioid epidemic;
- The END of the horrible Obama Iran Deal;
- The WALL under construction; while the Democrats want to OPEN the borders and ABOLISH ICE;
- More circuit court judges confirmed than any other new administration;
- Supreme Court Justices Neil Gorsuch AND Brett Kavanaugh CONFIRMED!

And the list goes on and on with dozens of other important accomplishments that are making our nation GREAT again!

Ted Cruz has been at the forefront of the conservative movement, working with my father to drain the swamp and GET RESULTS for the American people.

We need Ted Cruz in the U.S. Senate now more than ever, and it's up to ALL of us to make sure he stays there. Ted can't do it alone, Friend!

Don't let Beto O'Rourke, Chuck Schumer, and Nancy Pelosi fool voters to win on Election Day in Texas. All of our accomplishments would be at risk.

Chip in what you can now to help the #CruzCrew close strong and win!

For Texas & America,

Donald Trump Jr.
